Changes to the interest rate on your Everyday Saver

Dear Mr Smith,

From 1 February 2026 the interest rate on your Everyday Saver will change from 1.65% to 1.51% AER/gross per year. Interest is calculated daily and paid monthly. The change reflects the Bank of England base rate reduction announced on 18 December 2025.

You do not need to do anything. If you would like to move your savings, you can do so at any time without charge. Call us on 0345 734 5345 or visit barclays.co.uk/savings to see every account we offer.

Yours sincerely,
